Choral and performance

Non Fiction Units

Instructions

Reports/Explanations

Persuasive writing

Each term the children will study a selection of the different text types. This will involve reading text types as a class and in small groups and learning the features of the text type for their own writing.

They will always cover some fiction, poetry and non-fiction over the course of each term.

Which text types are covered when may depend upon other subjects being taught across the curriculum to enable good cross curricular links and opportunities for writing.
