Dear Parents,

### School Website for New Parents

Please could you complete and return the below slip. I will then set up a username and password for you so you can access the parents' area of our school website. Once you receive your username and password, please log in, change your password to one that is memorable to you and fill in your email and telephone numbers. If you have a smart phone or tablet, you can download the free school spider app. Use the drop down menu to select our school and allow notifications.

You will need these details to book parents' night's appointments and comment on posts. You will also be able to post comments on the class blog.

Please could you complete the form below and return it to school ASAP.

Thank you,

Mrs Edwards
