Each class teacher has clearly identified PP children and can deliver Quality First teaching based on individual needs.	Termly Pupil Progress meetings with each class teacher: To identify each disadvantaged pupil in each cohort. To review attainment and progress for the previous year for each child and identify any gaps and also for each previous term.	A quality First teaching approach can be based upon a detailed understanding of each individual child's starting point. This will inform planning and teaching approaches and any needed support or intervention.	Planned intervention is implemented and impact is monitored through Pupil Progress meetings. Key targets for both individual children and the cohort are monitored as being on track to be achieved and achieved by the end of the academic year.	ST All teaching Staff	none
