

Sport Premium Evidencing Impact and Accountability 2017-8

Amount of Grant Received £17 790 rest of monies coming from other school accounts

Area of Focus	Actions to achieve	Effective use of Funding and Funding Breakdown	Evidence and Impact	Sustainability and next steps
<p>1 Engagement of all pupils in healthy lifestyles and regular physical activity</p>	<p>Maintain and extend range of extra curricular activities both before and after school offered and monitor which children are using the clubs</p> <p>Increase activity at lunch time and breaktime</p> <p>Monitoring fitness levels of pupils via Widnes Vikings game changer</p>	<p>Sport apprentice employed £7078</p> <p>Extended schools provision = £500 Extended schools delivering extra curricular sessions</p> <p>Participation in Widnes Vikings try time/game changer program £495</p> <p>Playground and sports equipment £ 500</p>	<p>There is a good variety of sports and high levels participation in after school clubs as reported in PE Report to Governors and evidenced by registers and attainment of children university awards. We have diversified clubs to appeal to wider range of children.</p> <p>We obtained Gold Sainsbury Sports Mark last year recognising this.</p> <p>Specialist teacher/ sport apprentice have extended before school weekly fit and fun club to twice weekly now. Specialist PE teacher is delivering an additional after school club.</p> <p>Sports apprentice organises activity at break and lunch time to increase activity levels</p> <p>Children Y2-4 have been involved in fitness testing before and after game changer program</p> <p>Participation in height and weight checks in R and Y6 .</p>	<p>. Continue to develop lunch time activities to include regular personal best competitions</p>

<p>2 Profile of sport and PE raised across school as a tool for whole school improvement</p>	<p>Publicise participation and results in newsletter and on social media</p> <p>Create links with outside clubs and community including Widnes Vikings</p> <p>Examine curriculum to see where and cross curricular plans and links can be made eg world cup/ sport relief</p>	<p>School of the week at Hull Widnes match included in try time plan</p> <p>Children awarded medals and certificates in presentation assembly £ 30</p> <p>World Cup week - £300</p>	<p>Children have had had opportunity to play at a stadium and meet professional sports people</p> <p>All children who compete in competitions are celebrated regardless of results.</p> <p>A culture of self improvement is fostered.</p> <p>School games values are rewarded.</p>	<p>Continue to share success and use sport as a tool to engage children's learning.</p>
<p>3 Professional learning</p>	<p>ensure all staff including new staff and TAs have opportunities for CPD with sport specialist teacher</p>	<p>Specialist PE teacher employed 1 day a week to provide continuous professional development for staff in a variety of sports Specialist PE teacher = £7262</p>	<p>Staff completed a questionnaire regarding their confidence and professional knowledge and experience in teaching various sports</p> <p>Pupils voice – completion of sports questionnaire Staff have indicated via evaluations that their confidence and ability levels have improved in delivering of the sports targeted so far , namely rugby, high fives, gymnastics and handball, golf and dance</p> <p>Positive impact on children and whole school Enhanced quality of teaching Improved attitudes of children and staff to PE</p>	<p>Employing Mr Noblett as a sports teacher within school has been a significant investment. His role benefits pupils and teachers by working alongside staff members to develop their professional development. This will ensure that Mr Noblett's support and expertise will not be 'lost' in the future and that the sports premium funding will have a lasting effect.</p>

<p>4 Increased opportunities and experiences to all pupils</p>	<p>Focus on high quality PE curriculum with a wide range of sports covered</p> <p>ensure equipment well stocked and buy a outdoor store for playground equipment</p> <p>July 13th family fun run</p>	<p>CPD from sport specialist (as above) Use of sport apprentice (as above)</p> <p>Sports/ playground equipment (as above)</p> <p>Sports day / fun run budget £50</p> <p>Subsidy of after school clubs £175</p>	<p>The replenishment of resources is crucial to the ongoing development of sport within our school. Children need the appropriate equipment to aid their progress and development from EYFS through to year 6. We have bought equipment to use at playtime to encourage increased activity levels in children. This has had a positive impact by the reduction in incidents reported by mid day assistants</p> <p>?? Children have participated in an after school club</p>	<p>Ongoing replenishing of equipment as it becomes necessary is essential to maintain active levels and high quality PE . Monitor stock and resources regularly.</p>
<p>5 Competition for all</p>	<p>Subscribe to KSSP to enable support from SSCo and entry to competitions</p> <p>Aim for increased participation and to include second teams</p> <p>Membership of school cluster</p>	<p>Subscription to Knowsley School Sport Partnership £1200</p> <p>Supply cover to release staff to attend competitions £200</p> <p>Specialist teacher is employed by five partner schools 1 day a week each and organises regular school competitions between these schools (funding used for sport specialist see above)</p>	<p>We entered 20 competitions with children from Y2-Y6 in competitions in 11 different sports</p> <p>We were awarded the Gold kitemark award for the third year</p> <p>Children have had an opportunity to compete in a competition style event and also to meet and work in a team with children from other schools</p> <p>We have won four Knowsley competitions this year. High Fives , Tag Rugby(joint winners) and Gymnastics and trigolf. We are going to represent Knowsley in the Merseyside finals in High Fives, Trigolf and Gymnastics. .</p>	<p>Maintain participation in competitions and continue to raise aspirations for achieving . Regain Gold Award this year which will lead to platinum award.</p>
<p>Meeting national</p>	<p>What percentage of year 6 pupils could swim at least 25m when they left last year?</p>			<p>100%</p>

curriculum requirements for swimming and water safety	What percentage of year 6 pupils could use a range of different strokes when they left last year?	100%
